

Part 2 - True Story of the Laggards

THE ROOTS OF THE MIDDLE EAST CONFLICT - GREAT DIVINE DIRECTOR, SUMMIT LIGHTHOUSE VOL 5, 18TH FEBRUARY 1974

The Future of a Planet from the Scroll of Cosmic History

GREAT DIVINE DIRECTOR: Greetings Dear Sons and Daughters of God in the planning stages of your New Year, I have chosen to come to you today 3rd February 2024 to present you with some information given to the Students of the Summit Lighthouse back in 1974 which will coincide with that which was shared yesterday from Anrita Melchizedek. While both Transmissions were covering the same subject matter, My Discourse comes from a slightly different perspective. I Am asking you to feel into both Presentations and to weave the information into a wider application as you move toward the completion of your Radiation Centre's Etheric Activations. I Am asking you to take into consideration, as I have Impressed upon Peter and Sue this morning, a focus of attention to also take into the Great Silence the facets of the Astral and Psychic Realms for clearing old Morphogenetic Fields of Influences such as the Negative Impulses by those who oppose God and continue their contempt for Cosmic Law for their own immoral self-aggrandizement, their own wealth, health and immortality.

Just as Jesus, Saul of Tarsus and Moses had to go through the rending of the veils of maya this too is facing those who are ready to follow this preparation of the 4th Initiation. I will speak of this when the time allows. Meanwhile, the Call is Present to consider further actions regards the Astral Realms to disband and dissolve the negative miscreations that make up the Black Lodges and their affiliates. It is now time to also consider more fervently the synthetic grids created by them that suppress humanity from touching the True Essences of their Innate Connections with God Universal Source Energy. I also ask that these false power groups, who use all such atrocities against Humanity, be given a Greater and more effective attention to dissolve and bring balance back to these corruptions of the God Spirit within Humanity. This then, is not limited to only big pharma, and all other authoritative governments, foundations, organisations, companies, schools, social media and fake news, and the global conglomerates that target children, and families, feeding them with false narratives and subliminal charges to entrap them into total submission away from any form of Self-Empowerment. To save the Children of God is a top priority of any New World Server Group today.

Peter, just like you did with the Melvadek Alliance to dissolve Lucifer's Role as Satan or the Devil, and remove Him from the Astral Planes, now the lessor powers between the 4th and the 9th Dimensional Platforms is their time to be removed. This Action shall be more adorned to how this was done with the so-called High Councils of the Order of Melchizedek that was

Under pinned by the Black Lodge. I will say no more on this at this time. You Know what to do!

I now ask for the 1974 Delivery of the Roots of the Middle East Conflict for you all to process more deeply as part of the Work now being Called to Engage. Peter, make any changes within this Discourse as required to bring it into the present time! And So, It Is!

We Continue:-

“I Come Bearing the Scroll of Cosmic History; and I Read the Record of Ancient Civilizations, some of Light, some of darkness, and the fate of their Evolutions. In order to draw for you the future of this Planet, I must first draw for you the past and then allow you to draw your own conclusions. The writing is on the wall. History repeats itself; hence mankind must learn a lesson from Cosmic History.

“I would speak of Maldek and of the Electromagnetic Impulses of Life chosen of God to Manifest the Principles of Freedom, Brother and Sisterhood in Unity. Micah, the Angel of Light, Son of Michael, was Assigned to those Evolutions while They were on Maldek; and the Banner of that Angel is Unity. Now, if the Electromagnetic Impulses of Life are used for the Flame of Unity to come together and to merge the carnal consciousness, then the end result will be the beast, the serpent that becomes the dragon at the end of the spiral of its precipitation.

“Thus the perversion of Unity was the cause that was set in motion that resulted in the flying-apart of the very atoms of that planetary home when the two, the Electromagnetic Impulses of Life evolving there, one assigned to carry the Flame of Father God Alpha and the other to carry the Flame of Mother God Omega, instead of Uniting in a Spiral of Oneness, chose rather to amalgamate their carnal-mindedness for the greatest holocaust that has ever been seen in this Solar System.

“Among those evolving on Maldek were Lifestreams and Souls of High Principle dedicated to Truth, yet all were destroyed. In a moment, in the twinkling of an eye, all were flung out of their physical bodies into the astral realm. Two-thirds of those the Electromagnetic Impulses of Life passed through the Second Death because their consciousness was totally dedicated to the energy veil called evil.

“When a Consciousness that is the Gift of God chooses to crucify God in the Energy Veil, then the Ever-Merciful Creator Expresses Mercy unto Himself and Releases His Own Atoms from the Framework of Identity that personifies chaos, death, and discord. Thus, you see, the Second Death is the Highest Expression of God’s Mercy which is Expressed Unto God Him, Herself and His or Her imprisoned energies.

“And what of the one-third remaining, the Electromagnetic Impulses of Life considered worthy of another chance? That of the one-third responsibilities to clean up and Forgive that of the human personality beings who came with their bag and baggage, homeless wanderers, to the Planet Earth, to which they were assigned by the Lords of Karma for two reasons. First, lifestreams in embodiment upon Earth volunteered to give bodies to these Souls and to assist in training them. And second, certain numbers among mankind’s Evolutions had already capitulated, yielding to the Luciferian lies, and so they worshipped the golden calf, and their high priests and priestesses, desecrated the altars of the Most High God on Mu, Lemuria, following the Fallen One, Lucifer, and the Angels who Fell with Him.

“Thus, because the Earth as a Sphere was no longer Herself Perfect, She was vulnerable to the intrusion of imperfection in the consciousness of the Electromagnetic Impulses of Life.

“This is a most outstanding example of the Protection which Purity Affords, of the Protection which Perfection is. When mankind departs from that Perfection, that Wholeness, then they are vulnerable to the most horrendous forms of astral manifestations that float right through the grids of their own consciousness because these are less than perfect and therefore serve as a magnet to magnetise energy veils from other worlds, from Interstellar Space. And so, you see, even today, dangerous Cosmic Rays penetrate the Earth because of the vulnerability, the betrayal, and the selfishness of mankind’s own consciousness, which ought to be Magnetising the Christ Light, the Solar Logos, the Great Central Sun instead.

“Thus, the laggards came without a name and without a country. And they embodied among the Holy Innocents and those who had not yet succumb to the Luciferian lie. Parents of these ungodly ones who still retained the Spark of Divinity found that when they came to the age of the return of karma, between twelve years and fourteen years, they could no longer control these children; they could no longer teach them. And the children rebelled against their parents, and they left their homes, and they went out into the world to pervert children, who were the Holy Innocents and to teach them the ways of the liar and his or her lie.

“By and by, these laggard souls amalgamated forces with the Fallen Angels who had been forced to take embodiment because of their allegiance to the Fallen One; and thus the team of the Fallen Angels and the laggards became an ever-present menace, growing and growing in giant proportions upon this Planetary Earth Plane. The Karmic Board, beholding this manifestation, expressed great concern for these young Souls of the future Sixth Root Race soon to be engaged, being contaminated by the ungodly.

“And yet the Electromagnetic Impulses of Life must go on, manifestations must occur, ages come and go, and whatsoever the Electromagnetic Impulses of Life may manifest, that is what it shall reap. For there is a certain group karma in each Root Race that manifests upon earth. And there is a lowest common denominator of consciousness within a Root Race that holds back the Highest Manifestation of the Christic Light in that Root Race. And thus, the Golden

Mean of Consciousness is found somewhere between the two; and that Golden Mean becomes a mediocrity that goes neither up nor down, but walks the middle of the road and thinks that it is highly clever and that it cannot be touched.

“And thus, the laggards and the Fallen Ones taught mankind how to dodge returning karma, how to dodge the effects of causes they had set in motion. This they achieved in one instance by prohibiting intermarriage into their race, thereby prohibiting the return of karma which was a mingling of their energies with the Holy Innocents. But Karma is never eradicated and so, unwearingly these trials and hardships were simply amalgamating and multiplying exponentially for when the time would turn to Cosmic Law of Divine Justice would be pronounced. This may be hard for some of you to understand; but by forbidding the intermarriage between the laggards and the Earth people and making this a part of orthodox tradition, there is a failure of the greatest kind. For it is a blunder on their part, a misgiving of a fathom too great to imagine, according to the *‘Law of Omission’* calling Balance by providing extra Karmic Responsibilities to deal with! And it also provided a loss of Opportunity for the laggards themselves to Evolve and to Attain Greater Heights of Light and Manifestation. And by that mingling, they might be converted to The Christ and to the Light.

“These acts of forbidding intermarriages also preserves the wealth within families, century after century, guarding that wealth and therefore preventing lifestreams from having the karma of having deprived others of wealth or of having to earn their daily bread by the sweat of their brow. And thus, the karma accrued in volume, instead of returning and manifesting, continues to build and to build and to build because of the isolation policy of the laggard races.

“Now the situation of many strains of the Electromagnetic Impulses of Life upon the Earth is a condition which must be considered again and again by the Lords of Karma. The evil deeds of the Fallen Ones, the commingling of the seed of animals and of human beings which resulted in the hideous creations that were destroyed at the time of the Flood, all of these had to be contended with. And therefore, the Fiat went forth from the Lords of Karma, *‘Henceforth let every seed bear after its own kind’*; and it was forbidden that such an unholy and an ungodly situation should occur again. And these miscreations, then, were cancelled out by Cosmic Edict through the Flood which was the sinking of Atlantis.

“I tell you that the last days of Atlantis were wicked; indeed, and the very ones who caused the destruction of Atlantis have come again, returning into embodiment. Joining forces with darkness, they have created a culture in direct antagonism to the culture of the Divine Mother.

“Now those same parents who first volunteered to receive the laggards have had to receive them again and again, in order to discipline and to draw them into alignment with the Law that was given through Moses, and the Law that was given through Mohammed for the

Salvation of these races that are continually warring with one another and attempting to draw the entire Planetary Body into their ridiculous strife, which has as its end not the Glory of God, not the Freedom of Mankind, but the pride of the ego and the ruling of the Planetary Body through the Luciferian consciousness of a one-world focus, totalitarian and tyrannous and oligarchical governance.

“I say to you then, Hierarchy is concerned this day that these same races, these same two groups of laggards now embodied and centralizing their energies in the Middle East, are coming together for that confrontation, the same confrontation which they had on Maldek. And it is a most volatile situation, a situation which, if the Sons and Daughters of God, do not rally to contain their actions, to withdraw their aid to both sides, it might result in a total war at the end of this decade.

“I must apprise you of these facts; for without the facts, you cannot pursue the Invocations and the Arresting of the Spirals that remain still out of control, as you have been taught, that was then, this is the Now; for the Salvation of Humanity on the Whole, not just the Planet Earth. Thus, when the Veil is drawn and when it is torn asunder and man sees face to face the Highest Good and the Highest evil, he may Self-Realize that by the Power of the Almighty he can bind the forces of darkness that are in his midst.

“You have the Authority to Challenge not only the war in the Middle East, but all war anywhere at any time. You have the Authority to Challenge the Satanic expressions of evil and the perpetrators thereof. You have the Authority to Challenge those who take the Precious Holy Innocents to defile the Women and Children of the world, the slaughter of so much of the Sentient Life streams in all 4 of the lower Kingdoms of God here upon the Earth, to the battlefields and use them as playgrounds, for gain of wealth, false power and a life beholding to health while defiling the Health through failed immune systems, that are quite capable of given their own senses of Immortality, if given the rightful Food for the Body, and Spiritual Truth for the Hearts and Minds of ALL other peoples of the world. All this, and more, in a continual round of genocide, annihilation, and assassinations that amounts to nothing, absolutely nothing, in the sight of the Karmic Board. You have this Authority by the Power of the Christ that is in you; and in the name of Jesus the Christ, you may give the Commands of Perfection that will allow us to enter in and do the Perfect Work which is so necessary in these troubled times.

“Thus, the handwriting is on the wall. History repeats itself. The only power that can Check the widening Spiral of the Pride of the People of Israel on the one hand, and of the deceit and treachery and intrigue of the People of the Arab Nations on the other, is the Authority of the Christ that Occupies the Position at the Heart Level to Challenge this Yin and Yang perversion of Alpha and Omega. Your Knowledge of the Cosmic Clock will show you that these two Nations this day represent the malefactors on either side of the Christ, both in manifestation of antichrist, the Christ who came to Redeem and Restore the laggard consciousness and to

give to both of these Nations and their people the Opportunity to Accept the Light and to Redeem that Karma which they created on Maldek.

“Do you see now, why these people are called the chosen people? They are chosen because they have the greatest karma, the greatest debt and because they owe the most and require the greatest forgiveness. And thus, going to the lost sheep of the House of Israel, Jesus the Christ came to save that remnant of Souls who Embodied here, that they might have the Opportunity to bring the entire Planet into a Golden Age and thus Redeem that Karma of having Destroyed another Planetary Home.

“Thus God, in His Infinite Mercy, gives to those who have the greatest debt, the Greatest Opportunity; and if they reject that Opportunity, then it is passed on to the Children of the Light, Who, as far as Their Soul History is concerned, do not have the Ancient Experience and the Cycles of Evolution that these laggard Souls have. For they have only recently come from Octaves of Light to Evolve upon this Planetary Home. And so, you see, the Age of the Soul often determines its Opportunity, even though it might not have Preserved that Light which was Originally given to it in the Beginning.

“Thus, you say, what is the future of this Planet, Earth? The future of Mother Earth is in your hands; The Hands of God are now the Hands of the Sons and Daughters of God or what we could equally say as *‘We The People of God’*. It is within these Hands of all who have chosen to be of the House of Israel, of all that is Real. For the State of Reality can be claimed by All. It is not unique to any single race or time or people. It means, those who do not choose Reality, cannot be counted among the Children of Israel; and they have no claim to the Holy City, the City that Lieth Foursquare, Eternal in the Heavens. For their claim is the Energy Veil; and since they have claimed it, that is what they may have and that is their just reward.

“And so, I say to you, it does not matter who occupies the physical Earth of the Holy Jerusalem; it is the Souls of the True Rock of Universal and Triumphant Consciousness, to whom that City Belongs. And the Etheric City of the New Jerusalem that is focused over the Holy Land is the place prepared; it is the City that descends out of God as a bride adorned for her husband. It is the place where Jesus and Mary Reign Supreme as the True Focus of Father God Alpha and God Mother Omega for the Piscean Age and the True King and Queen of Israel.

“Thus, do you see, Precious Hearts, that all the forces of darkness and the demons of this Earth have tried to prevent the release of this message to you this day. But it has come forth by Divine Authority and by Divine Direction from the Heart of Alpha and Omega, that this Knowledge might be etched in Fire on the Etheric, mental, astral, and physical planes, that once and for all, those who have usurped the position of authority among mankind might be exposed and seen for what they are.

“Now I must remind you of the redeeming factor within the laggard races. I must tell you that these ones were chosen because they had some *‘Spark of Divinity’* left within them; and

among them were great Spiritual Leaders, People of Great Holiness, who also were flung into the Astral and were given an opportunity to embody here. And thus, among these races, you do find the Highest Souls of the Highest Evolution; you find also that these Souls of Great Light have been misled by the Luciferians, just as the Holy Innocents have been misled.

“And therefore, I caution you never to entertain condemnation or prejudice for the laggard races; for among them, if they would but accept the Christ, are those who have the potential to lead the Earth into the manifestation of the New Day. And many are being brought into this Ascended Master Activity; and some have been born into these Races who are not laggards at all, but who volunteered to help the Cause of Light, Manifesting therein the Golden Word of the Golden Age Teaching.” End 1974 - 2024 Discourse.

GREAT DIVINE DIRECTOR (3rd February 2024):- So Dear Souls, what is the True Meaning of Israel? In a Discourse given by Lord Metatron, *PART 10 - OPERATION ISRAEL - THE CHRIST TRUE VIRGIN - EGA PETITION - LORD METATRON, 4TH MARCH 2022*, HE SAYS THIS ABOUT ISRAEL.

LORD METATRON: *“As I have said, this Universal Program, Known as ‘Program Israel’ - which means, in the Original Hebrew Scrolls, the ‘Consciousness of Light which contends with the Higher Mind until Victory’, there will be a ‘Consciousness Reprogramming’ of Mankind on this Planet in the region originally identified with Atlantis. However due to the hour of the Moment, I Am through the efforts of the Elemental Grace Alliance going to Call this Universal Program ‘Operation Israel’, whereby it has now moved beyond the ‘Programming of Patterns of Conceptual Abstract Ideas, into the more concentrated Effort through very Clear and Distinctive Operational Love in Action, Knowing that Many Human Beings, Now have reached a ‘Living Consciousness of Light’ within sufficient New World Servers there upon the Ground of Mother Earth, Who will now Consciously Activate and Implement the Activities and Tasks that will see to, the Ultimate Victory of ‘Operation Israel’. I Am intentionally making this more personally orientated as Dear Humans must Fully Engage in these Upcoming Activities and Task from within their Incarnational Soul, but at a Monadic Level. Meaning they will continue to Live, Move and Breathe in the physical form as well as the Infinite Garments of Shaddai in due course of the Planetary Logii of God’s Infinite Way of Agape Presence of Love and Light which intersects with many different Levels of Intelligence across the Multiverses of God’s Unification of One Heart and One Mind.”*

GREAT DIVINE DIRECTOR: TO HELP YOU UNDERSTAND THE ENGAGEMENTS OF THE ACTIVATIONS OF THE NEW GRID STRUCTURE IT WOULD BE WISE TO REVISIT THESE THREE DISCOURSES FOR ALL DETAIL THE EXPONENTS THAT EACH OF YOU WILL NEED TO COMPREHEND AT A DEEPER ACCEPTANCE. THIS DOES NOT MEAN THAT EACH OF YOU WILL HAVE TO UNDERSTAND THE PRACTICALITIES OR THE TECHNICAL MATHEMATICAL CALCULATIONS OR THE PHYSICS OF ALL THAT NEEDS TO TAKE PLACE. YOUR
